## P R A Y E R

### HEAVENLY FATHER:

Thou who art our creator and our God:  
We thank thee for all the blessings thou has bestowed upon us, more especially for the children and our relation with them. We ask that thou wilt endow us with wisdom and strength as we care for and nurture them. May we be thine instruments to lead our children to a realization of Thy Power and Thy Love.

Bless thou our fellowship as we work for the children of our land. Lead us in steadfastness and faith toward the solution of the great problems that confront our world today.

Create us to Thy service and to the service of all children everywhere. Amen.

P40638

## OBJECTS

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
